CUBIC

Corpo illuminante LED a parete a doppia emissione per interni ed esterni IP65 composto da un corpo in alluminio laccato bianco opaco.

L'elevata efficienza luminosa dei COB LED 2x5W è abbinata a quattro lame basculanti che consentono di creare suggestivi effetti di luce e ombre.

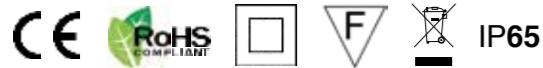

IP65 rated LED wall mounted light fitting for indoor and outdoor applications with double emission, in matt white coated aluminium. CUBIC integrates a COB LED 2x5W light sources and four adjustable aluminium plate, creating suggestive light and shadows effect.
